

Floor-mounted and wall-hung pedestals

for Ifö Cera and Ifö Ceranova wash basins

	Ifö no.
Floor pedestal	43150
Waste cover with water trap	43160

Available in the following colours: white, silk white, pearl white and cera grey.

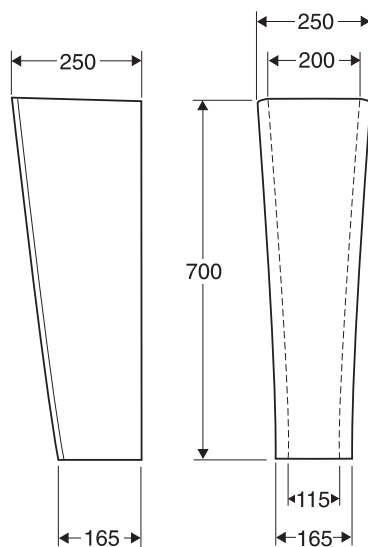

The delivery of waste cover 4316 includes:

Bracket, Ifö no. 91268

Water trap, Ifö no. 98036

All dimensions are in mm.

4315, floor pedestal

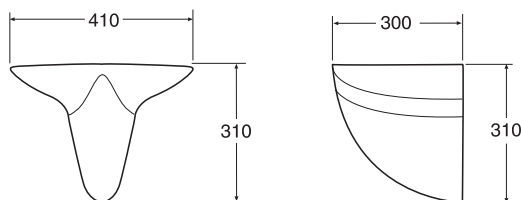

N.B.

When a wash basin with floor pedestal is installed, the pedestal determines the height of the was basin top above the floor (approx. 840 mm). When the mounting devices are marked off, the wash basin should therefore be resting on the pedestal.

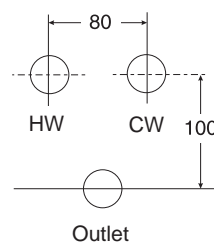

Best suited for the following wash basins:

Ifö Cera 2362, 2372 and Ifö Ceranova 2362, 2372 but it can also be used for Ifö Cera wash basins 2322 and 2332.

4316, waste cover with water trap

Suitable for the following wash basins: Ifö Cera 2362, 2372 and Ifö Ceranova 2362, 2372.

Bracket 91268

Mounting on an Ifö wash basin fixture pre-supposes that the water connections are arranged as shown above.
